

Style Guide for Private Eden Academy

What is it?

It is an open browser game that allows the user to create human to humanoid avatars to interact with the world.

Currently at it's state it will only be able to tell you the Story of the Academy, Information about some of the NPCs and create and open forum posts

Logo info

The Logo went through a few changes but we settled for a more storybook style for it to look similar to the tale of the garden of eden.
